Peter Hitchin

It is always a sad time when you hear of a death. One of our members, Peter Hitchin has passed away after a long battle with cancer.

Peter was a quiet and gentle person. He joined the Offchurch Woodturners after becoming a student at Southam College and was eager to learn new techniques and methods to try out and has left some very nice pieces that his family will treasure always.

Our thoughts are with his family

April Meeting

April's meeting should be a good 'un, as we'll be visited by John Berkeley for a demonstration of the Ashley Iles Unichaser, which is a thread turning tool which allows you to turn inside and outside threads with one tool. Also he's going to demonstrate turning materials other than wood.

John has a good website: www.johnberkeley.biz which has lots of interesting things and some good links to videos, questions and answers, items for sale etc., so is well worth a look.

AGM

As you're no doubt aware, the meeting in March, the AGM, was a disappointment with very poor attendance and has left us without a vice-chairman. It's a shame with so many people in the club so few actually want to help run it, even for the minor roles. Anyway, I'll be taking on the treasurer function and Mike Sharman will be your

new Woody's World editor after this issue. Thanks for all the nice comments about my efforts over the last 2 years.

Subs at future meetings

To keep up with the rising costs of running the club, we decided to keep the annual fee at the current level but to increase the evening fees to £4.00. On the plus side, if you bring along an item that you've made for others to admire you get a free raffle ticket. Can't say fairer than that eh?

Woody's Wudoku

Fill the grid with numbers 1-9 so that each column, each row, and each of the nine 3x3 sub-grids contain all of the digits from 1 to 9.

Wood Working Show at Daventry

The AGM decided that we will not be participating this year in the show at Daventry, as insufficient members were willing to play an active role in the manning of our potential stand. It's a pity, as it would have been a good opportunity to wave the flag for the club.
